THE SCOFFERS

*Mock on, mock on, Voltaire, Rousseau
Mock on, mock on, 'tis all in vain;
You throw the sand against the wind
And the wind blows it back again.*

*And every sand becomes a gem
Reflected in the beams divine;
Blown back, they blind the mocking eye.
But still in Israel's paths they shine.*

*The atoms of Democritus
And Newton's particles of light
Are sands upon the Red Sea shore,
Where Israel's tents do shine so bright.*
